### Absent

The meeting was called to order by Sue Madden at 8:01 am.

Minutes from the December 2nd meeting were taken by Kevin and posted at the Clubhouse but could not be located. No additional copies were made so the minutes were not able to be approved by the committee.

**Chris Linam** stated the Director of Golf report for December activity was not yet completed and had nothing else to report.

**Brandon Hodgkins** reviewed the Greens Committee Superintendent Report (attached). He will be meeting with the contractors on 1/8 and will report next month

### Old business -

**Brandon** stated permits are pending for infrastructure work that will impact the road. This work is expected to happen in advance of the April project start date.

**Sue** thanked the grounds crew and volunteers for their excellent job for the annual Pink Ribbon Tournament.

### New business –

**Kevin** questioned the accuracy of the yardage marker of the yellow tees on #4 which states the distance at 390 yards versus the white tees of 330, yet both appear roughly the same. Brandon reiterated this would be corrected during the renovation.

Discussion took place regarding miscommunication of the 90-degree rule in the RCSC weekly newsletter under the banner of Golf Administrative rules & regulations. Chris will see that clarification is made immediately and will appear in the Sunday January 12 newsletter.

The next scheduled meeting of the Greens Committee is Monday February 3rd at 8:00am.

With no further business to discuss, the meeting was adjourned at 8:30 am.

Respectfully submitted,  
Sue Madden
